

## 2010 Sponsors

The attorneys of Kilpatrick Stockton LLP's Construction and Infrastructure Projects Team are recognized within the industry as leaders in the prevention and resolution of complex construction disputes on major infrastructure projects.

Peckar & Abramson has been serving the construction industry for 30 years. The firm has achieved national recognition for its successes in the representation of members of the construction industry, in particular general contractors and construction managers, both domestically and internationally.

For over 30 years, Watt, Tieder, Hoffar & Fitzgerald, LLP has provided comprehensive legal services encompassing all aspects of construction, suretyship, government contracts and real estate. With over 100 experienced attorneys and offices in McLean, Va., Irvine and San Francisco, Calif., Las Vegas, Nev., and an affiliate in Munich, Germany, WTHF builds solutions for our clients worldwide.

## About ARTBA

Established in 1902, the American Road & Transportation Builders Association (ARTBA) is a federation whose primary goal is to aggressively grow and protect transportation infrastructure investment to meet the public and business demand for safe and efficient travel. ARTBA also provides programs and services designed to give its members a global competitive edge.
