

ARTBA Private Trolley Ghost Tour

SEPTEMBER 24, 8:30 PM

Meet ARTBA's Lena Khteï at 8:30 pm at the Hyatt Regency Savannah lobby to walk over to the trolley (3 blocks away from the hotel).

The Tour begins and ends at 301 E River St, between the Shrimp Factory and the Boar's Head Tavern on River St and lasts approximately 1 hour and 15 minutes.

The Ghosts and Gravestones tour is Savannah's most popular ghost tour. Your costumed Gravedigger Guide will tell you tales of Savannah's "Darker Side".

With stories of haunts and hangings to murders most foul, all mixed together with some entertainment and good old-fashioned fun, this truly is a tour with a little something for everybody.

We will be making two stops along the way:

The first stop is exclusive after-hours access to the Andrew Low House. The house is an 1840s Italianate masterpiece that was constructed on the site of the Old City Jail. Once inside, you will explore the home and hear stories of the resident spirits.

The second stop is the Perkins and Sons Ships Chandlery and Warehouse. There you will hear, and experience tales of haunted River Street all set in a theatrical environment.
